A woman with blonde hair, wearing a grey ribbed sweater, sits at a light-colored wooden desk, looking thoughtfully upwards with her hand near her chin. A red vertical line highlights the side of her arm. In the background, three other people are visible: a man in a striped shirt standing by a window, and two women seated at another desk, one gesturing while speaking.

The image shows three women in a meeting room. A woman in a blue dress is seated on the left, gesturing with her hands while speaking. A woman in a red dress is seated in the center, looking down at a laptop. A woman in a white dress is seated on the right, also looking at the laptop. They appear to be engaged in a professional discussion.

Interface Elemente in Design Systems

Übung 02:

Interface Elemente designen.

Wie sieht der Screen aus, wenn ein Nutzer in eurer Preis-Vergleichs-App sein Profil bearbeitet? Welche Interface Elemente werden dafür benötigt? In welchen Farben wird alles dargestellt? Welchen Font verwendet ihr?

Erstellt zuerst eine Art Styleguide, wo ihr Farben, Typografie etc festlegt. Anschließend könnt ihr auf dieser Grundlage das Formular aufbauen und gestalten.

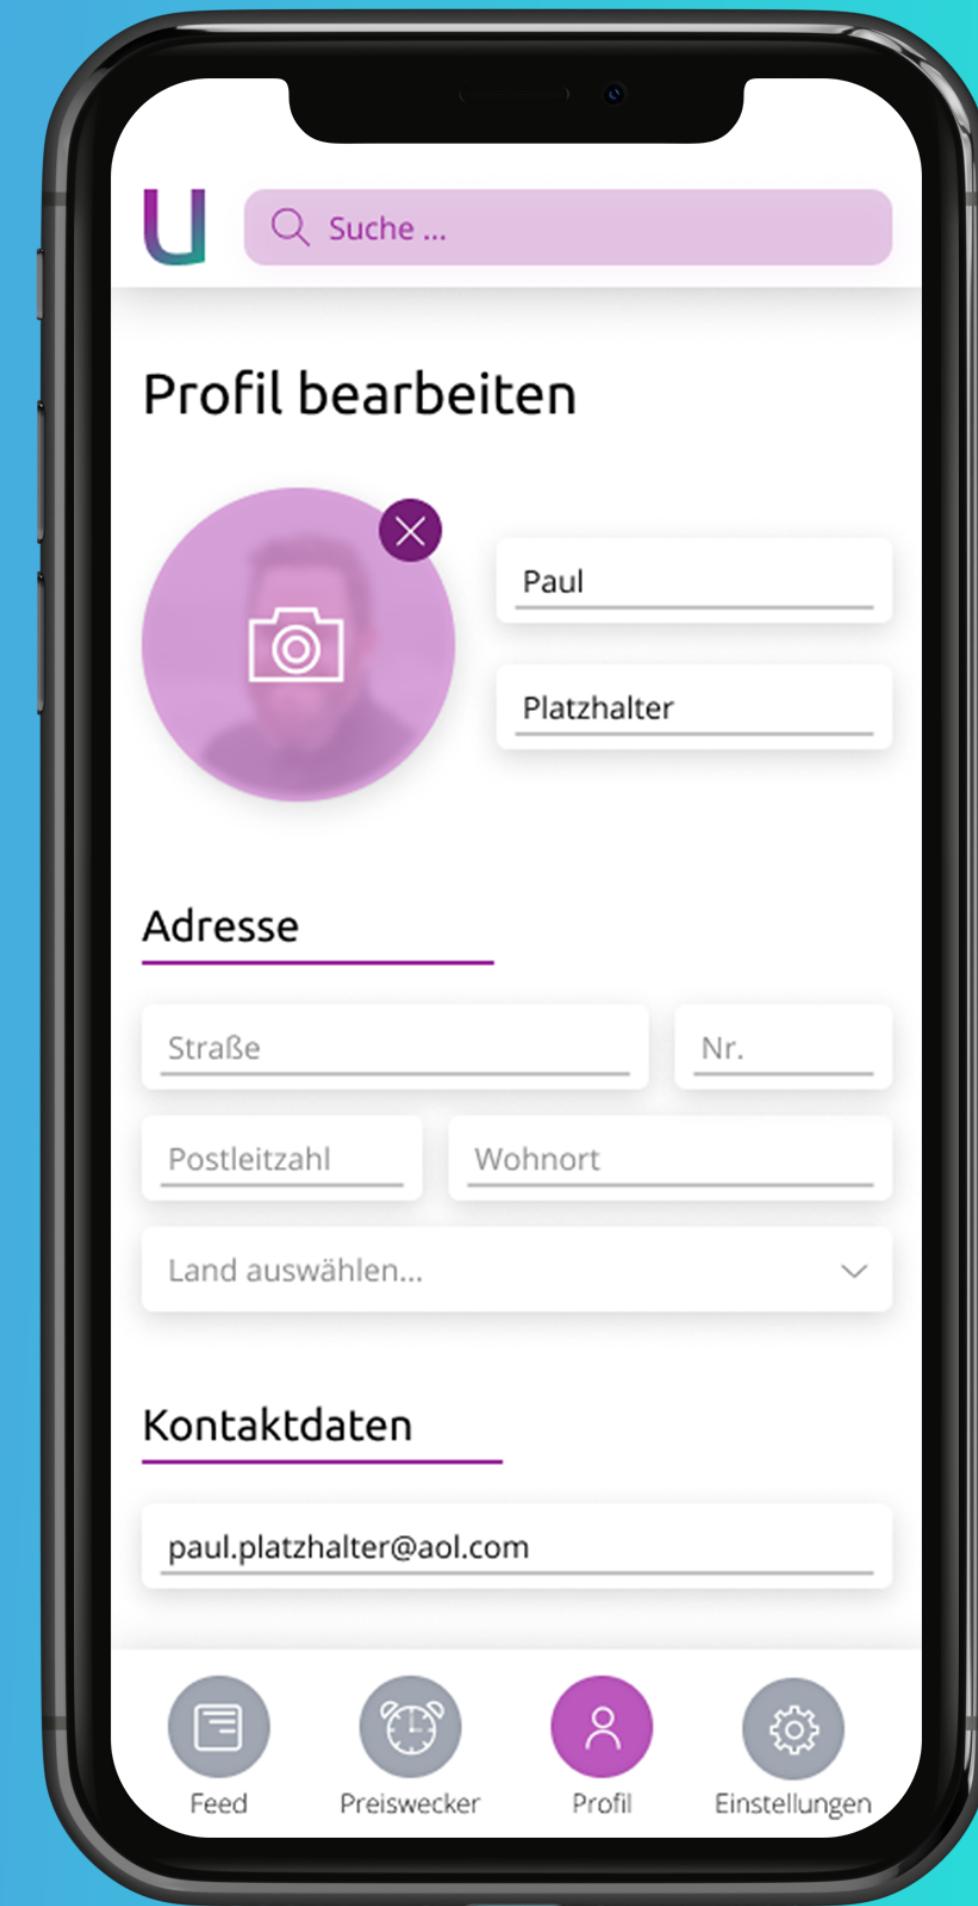

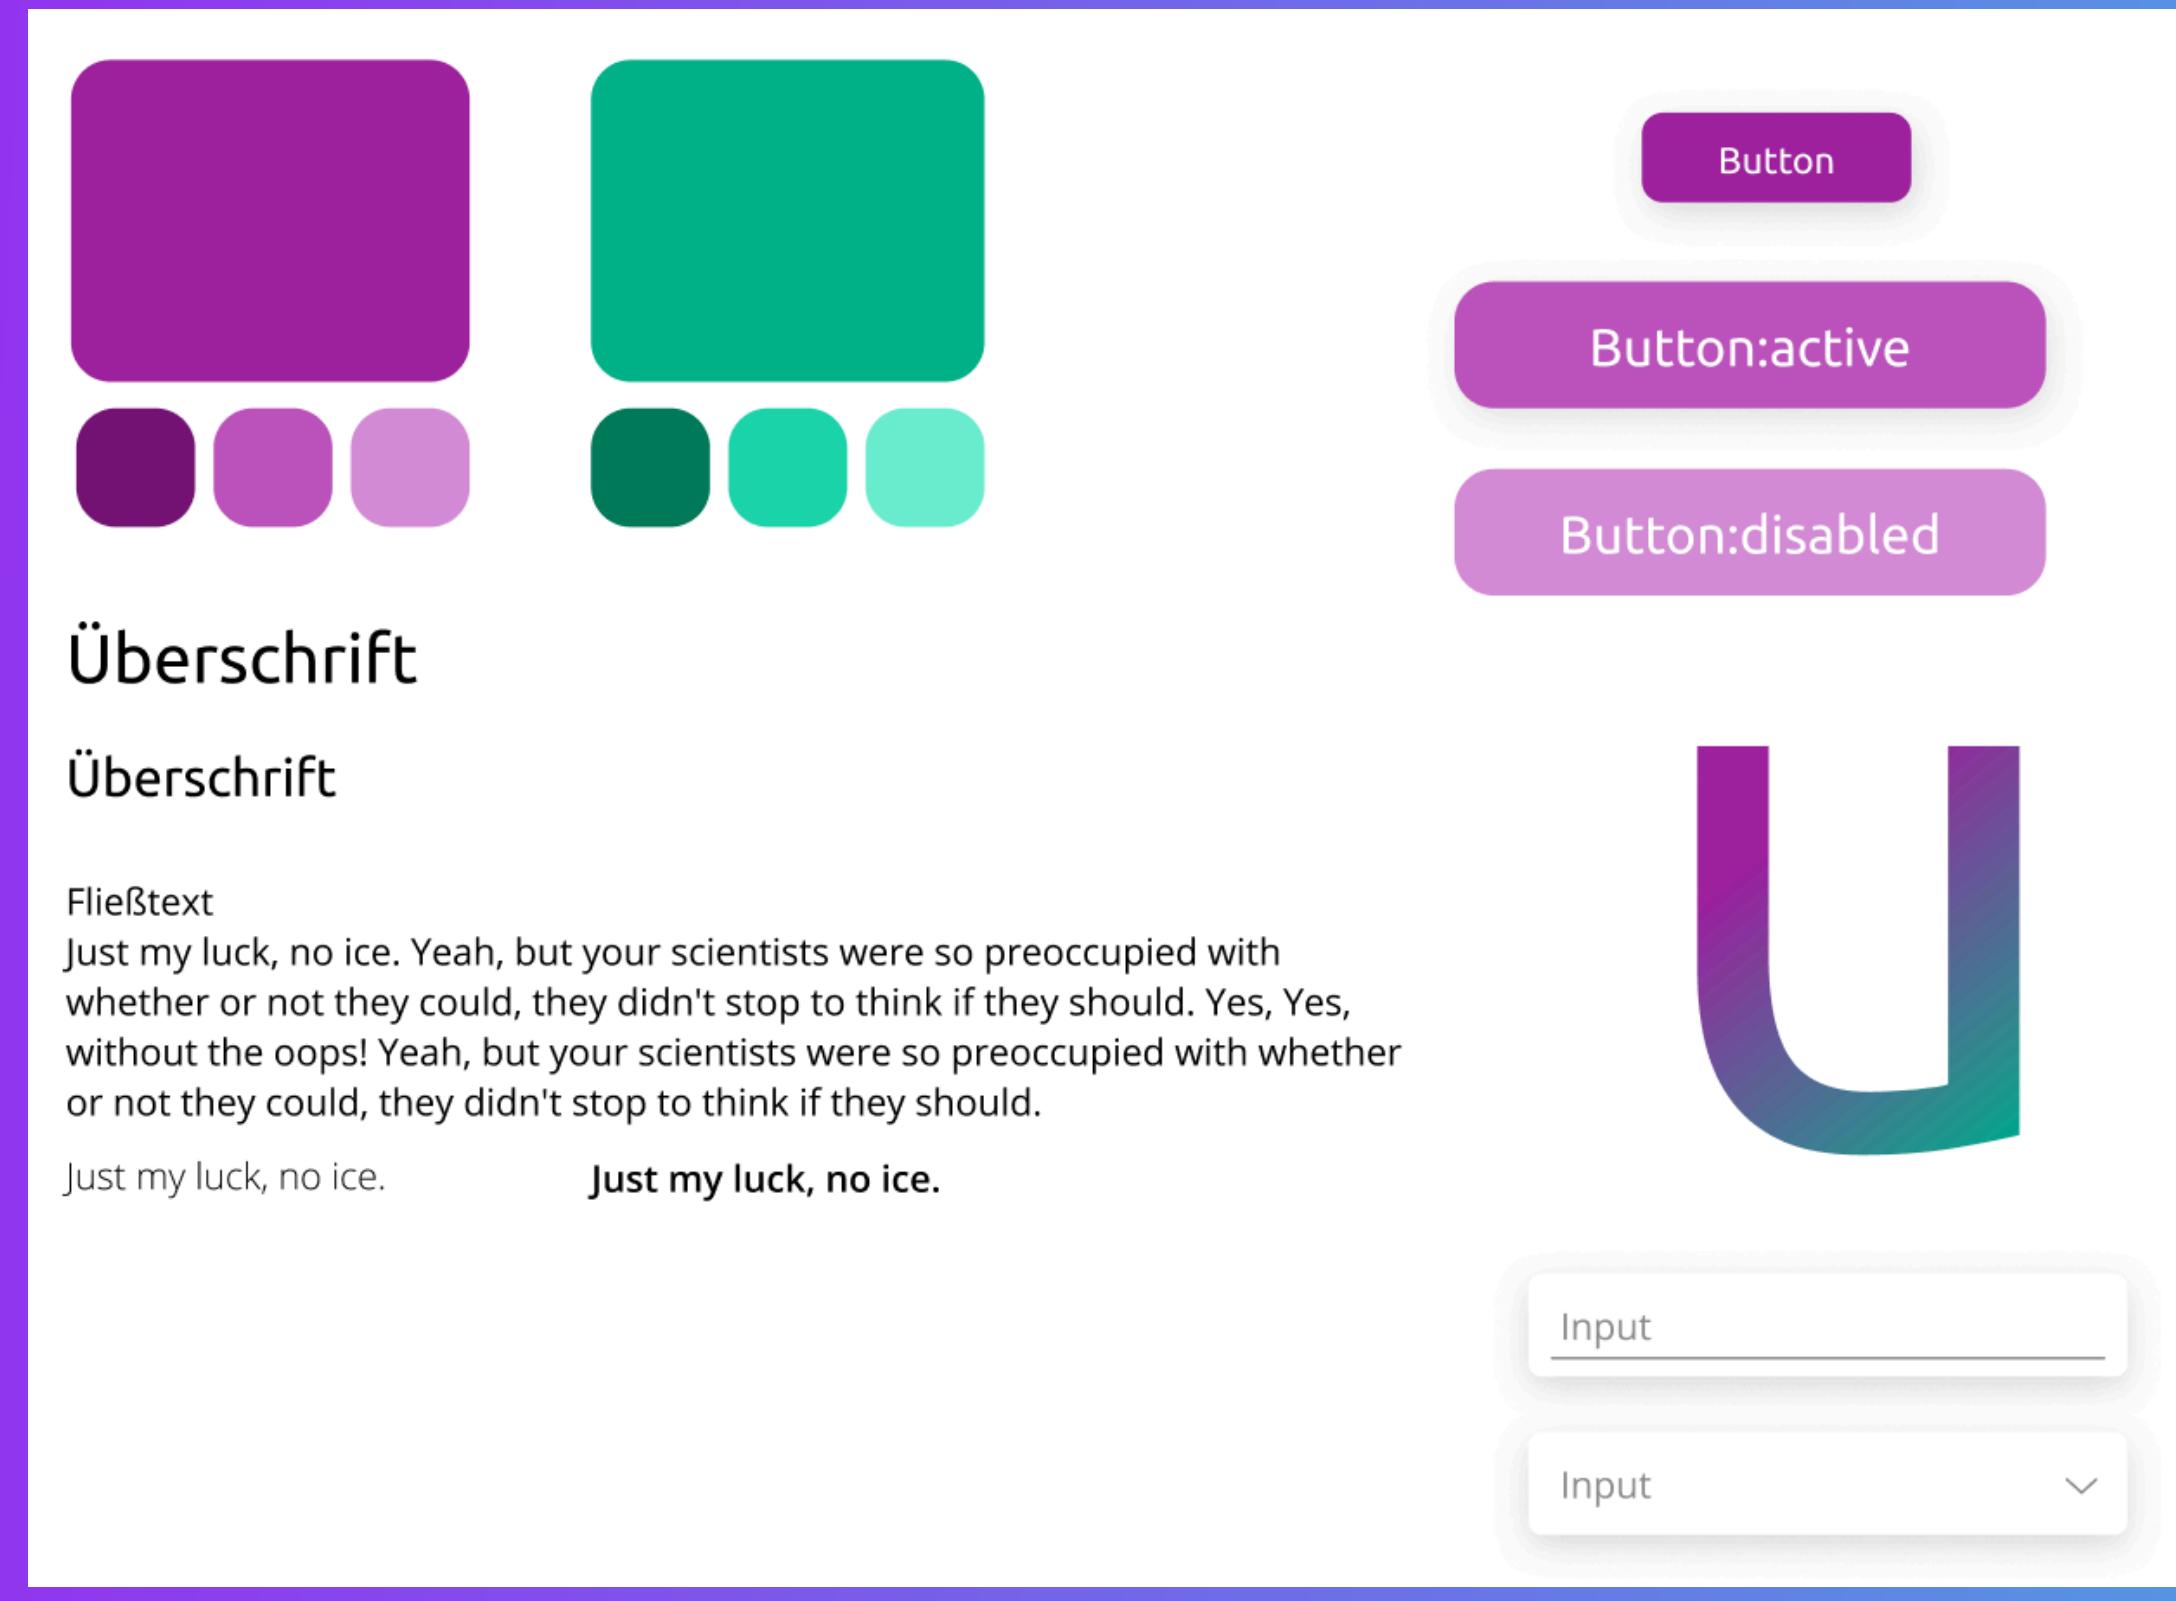

Ihr habt 45 Minuten Zeit.

Beispiel Styleguide

The image shows a template for a style guide. At the top left, there's a section for typography with the heading "Quicksand" and a list of fonts: Nunito Light, Nunito Regular, and Nunito SemiBold. Next to it is a "Display" section with categories: Heading, Subheading, and Body. To the right of the display section is a large logo consisting of the lowercase letters "diiip". Below these sections are several color swatches and UI component examples.

- Colors:** Primary (purple), Accent (teal), Light Gray, Gray, Dark Gray, Black Gray, Gradient, Danger.
- Logos:** MU Logo (M & U ein Pfad) and MU Logo.
- UI Components:** Card (two gradient squares), Input (two dark gray rectangular fields labeled "Name"), and Button (two dark gray rectangular buttons labeled "ANMELDEN").
- Header:** A footer bar with the MU logo on the left and navigation links "Start", "Termine", "About", and "ANMELDEN" on the right.

Beispiel Lösung:

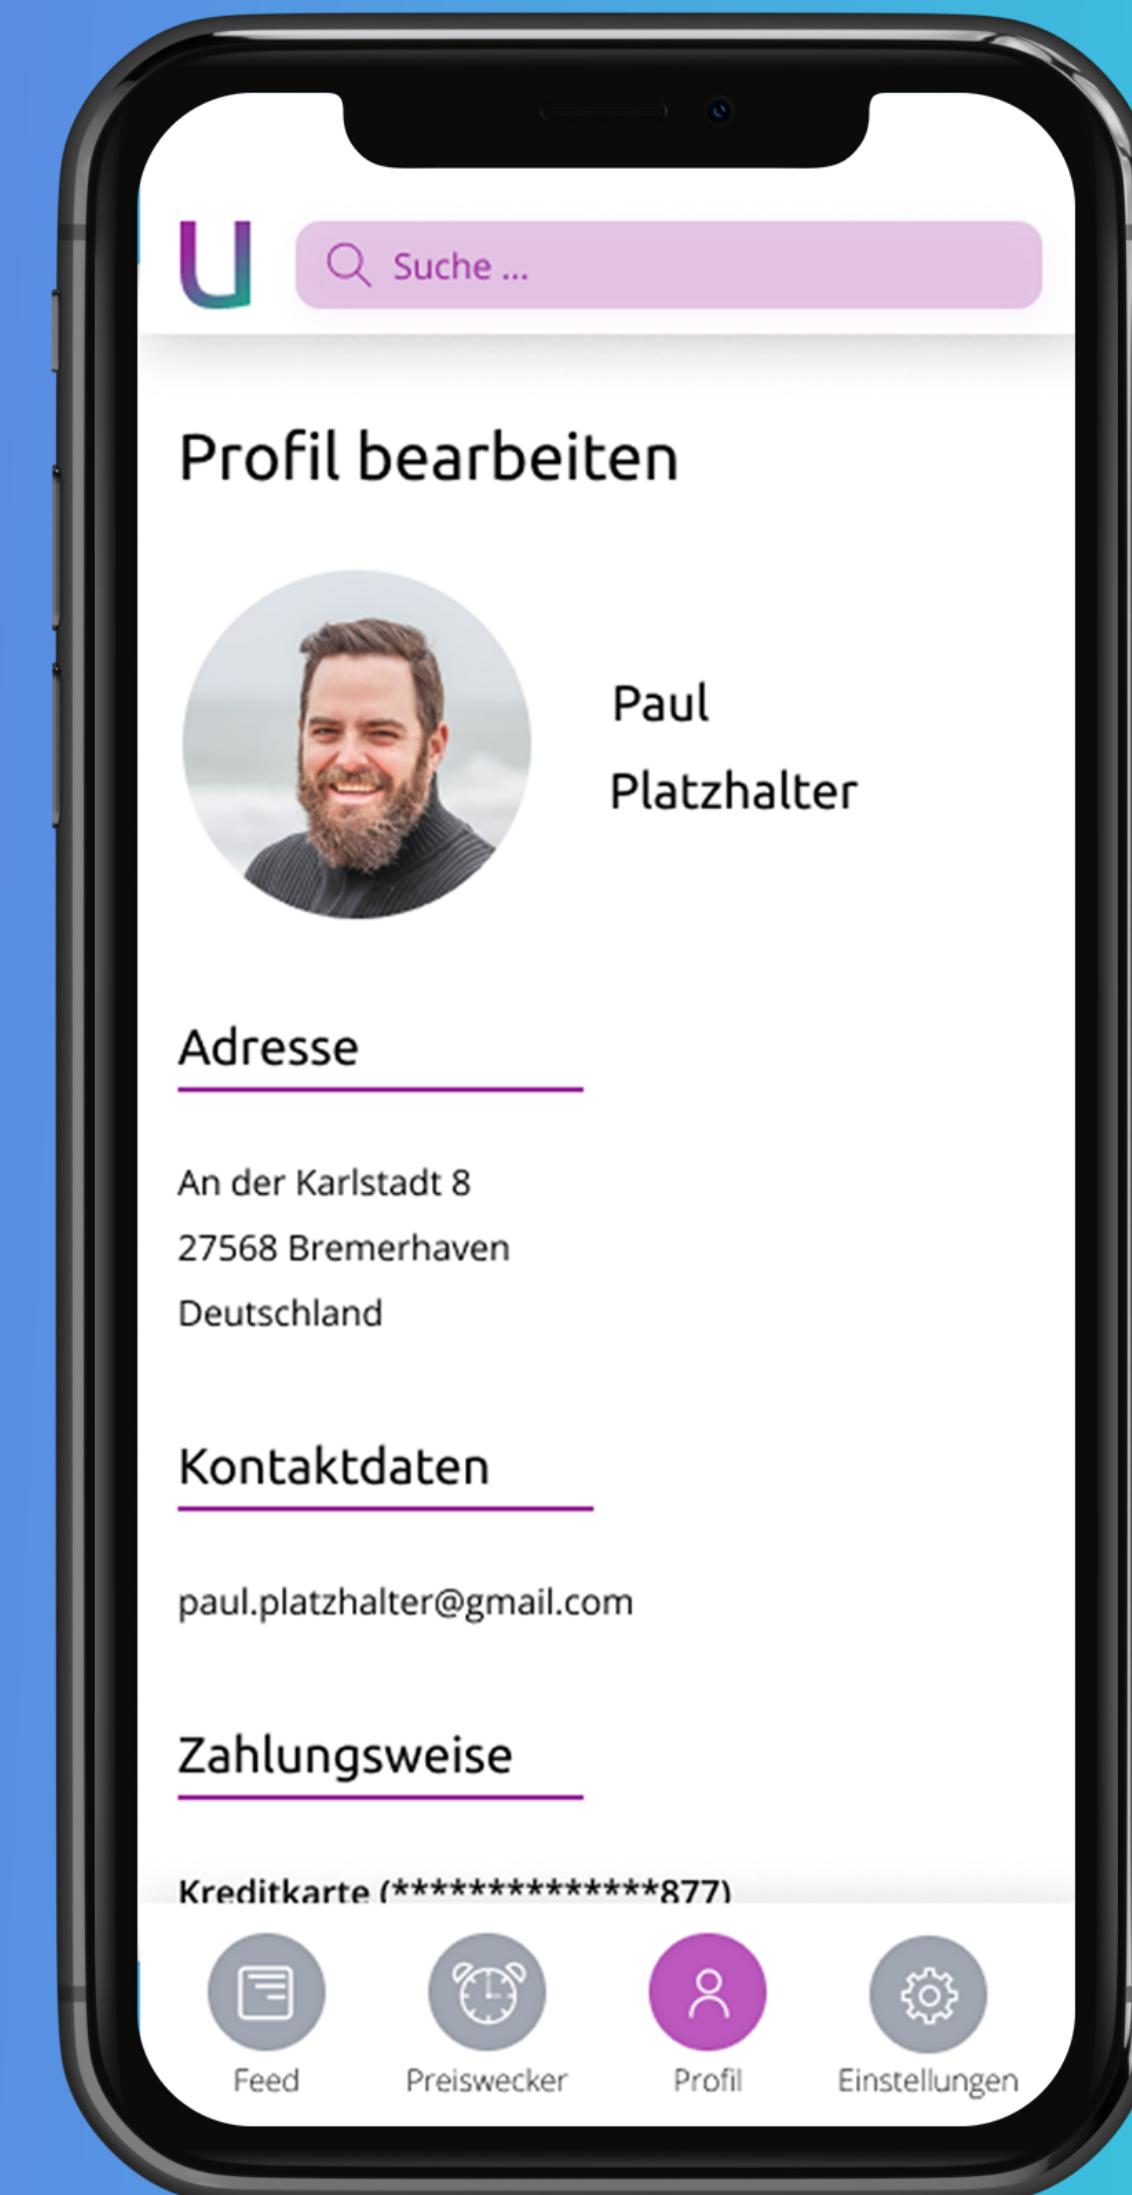

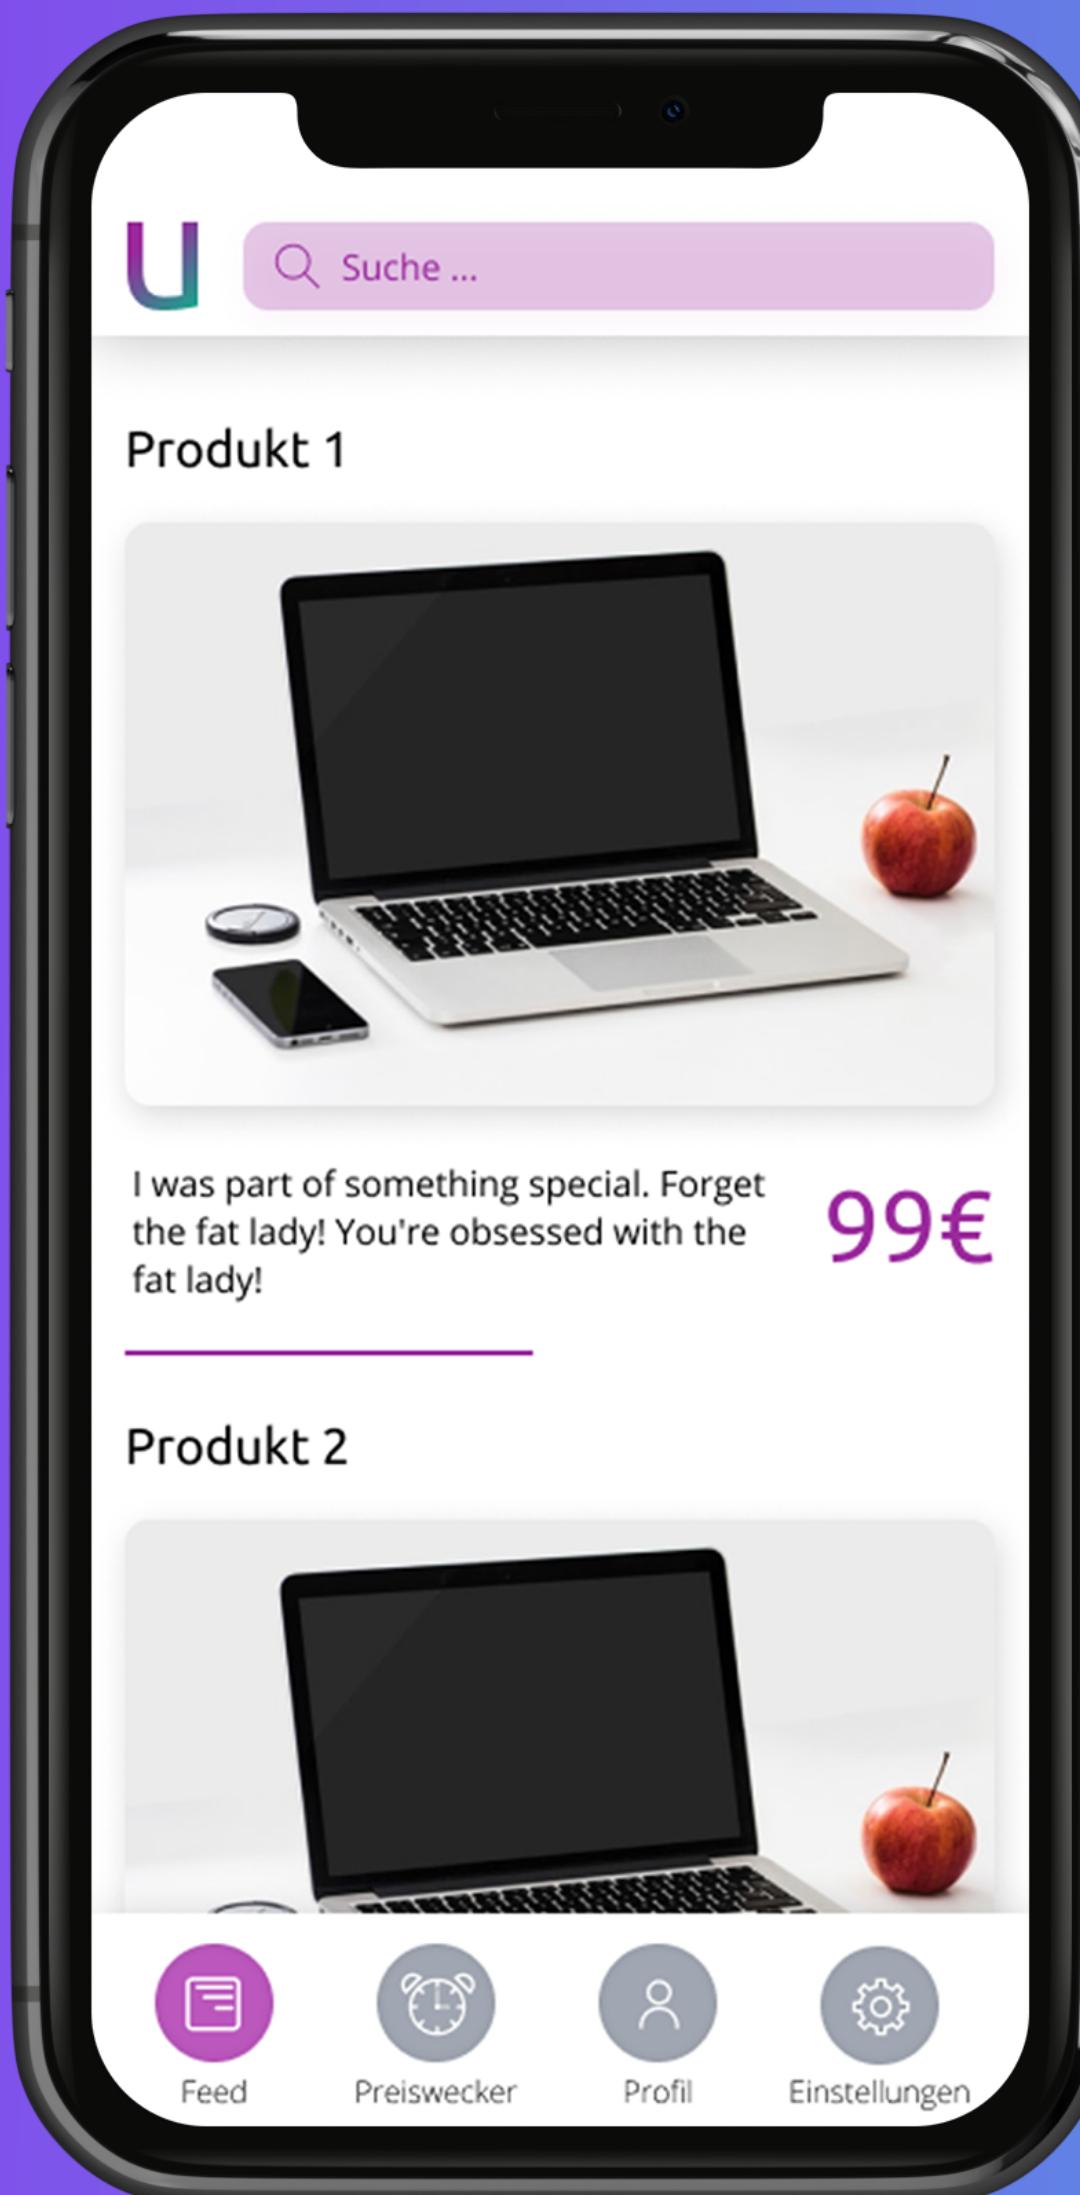

Übung 03: High Fidelity Prototyp.

Nehmt euren Paper Prototype der Preis-Vergleichs-App und verwandelt ihn in einen High Fidelity Prototypen. Ihr solltet mindestens den Feed und das Profil umsetzen. Ihr könnt aber natürlich auch mehr machen.

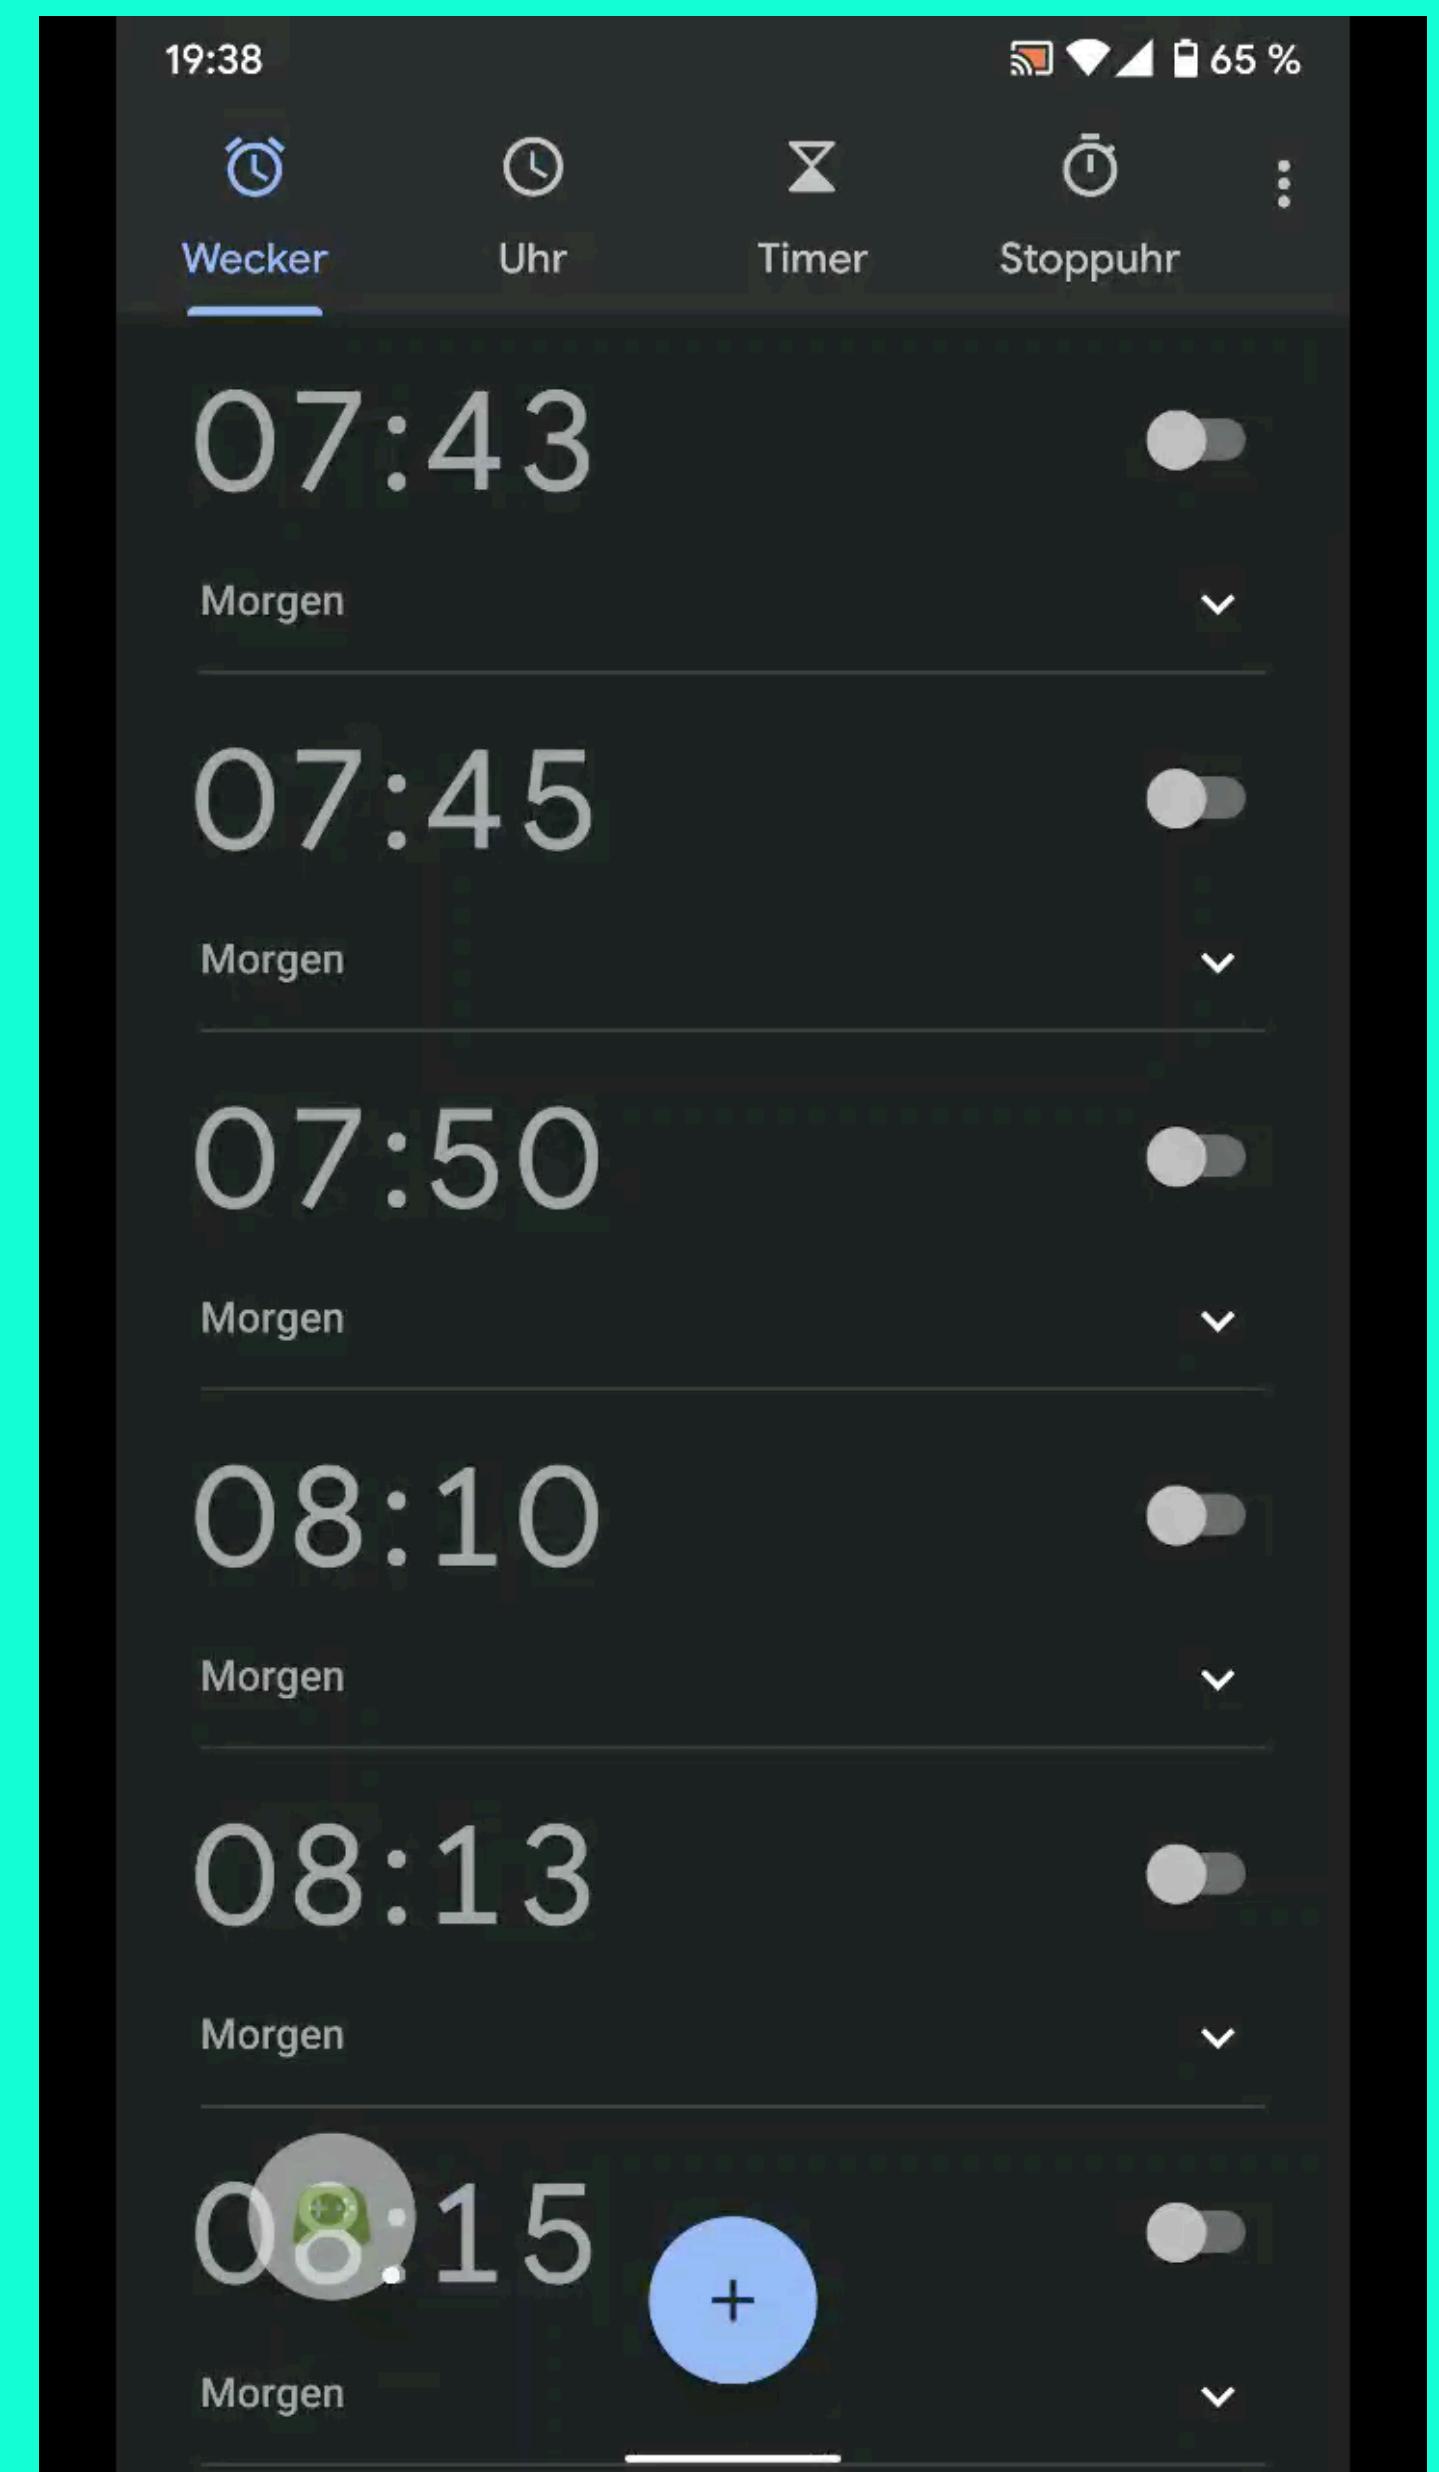

Ihr habt 45 Minuten Zeit.

Ocean breezes rustle palm trees along the harborfront, while in the cool, mist-shrouded Ko olau Range, forested hiking trails offer postcard city views. At sunset, cool off with an amble around Magic Island or splash in the ocean at Ala Moana Beach.

 **Santorini**

With multicoloured cliffs soaring above a sea-drowned caldera, Santorini looks like a giant slab of layered cake. The main island of Thira will take your breath away with its snow-drift of white Cycladic houses lining the cliff tops.
